

Celebrating 10 Years of *Free Dentistry*

Dr. Leo and a team of exceptional volunteers will unite to provide their **10th ANNUAL FREE DENTISTRY DAY** to as many patients as possible. This event is a way of saying thank you to the community and to help those in need of dental services.

JUNE 23, 2018

It is simple. This is a day of free dentistry. We will be offering basic cleanings, fillings, & simple extractions for **FREE**. One procedure per person so we can help as many as possible. Our doors will **open at 7:00 AM** and procedures will be on a **first come, first serve** basis.

Patients must be at least 14 years of age & accompanied by an adult if they are younger than 18. Restrictions apply for certain medical problems. No appointments can be made, so **please come early!**
